3. [] GLC) Called Leonard Killgore's, Administrative Assistant to Senator Barry Goldwater (R., Ariz.), secretary and told her a review of our applicant file disclosed only that the middle initial of [] was "B." and we doubt very seriously that this is the same [] about whom Killgore made inquiry.

4. [] GLC) Hand-carried to Herb Roback, Staff Director, House Subcommittee on Legislation and Military Operations, Government Operations Committee, an advanced copy of our proposed reply to Representative Koch's letter dated 15 March 1973. Roback has no problems with this and said once we advised him that the letter has been sent he will probably have Chairman Holifield make a short statement in the Congressional Record clarifying the matter.

On a confidential basis Roback advised me of a matter which will probably come before the full Committee at its next meeting (scheduled for 19 April). Roback asked for our views on the subject and I told him I would be back in touch with him in the next day or two.
